Certainly! As of my last knowledge update in January 2022, McDonald's wrap of the day was a promotional offer that featured a different wrap each day of the week at a discounted price. Please note that promotions and menu items can change, so it's advisable to check the latest information from McDonald's directly or their official website for the most up-to-date details.

It's a convenient option for those looking for a quick and tasty meal on the go. Keep in mind that the availability of the "Wrap of the Day" promotion may vary by location, and McDonald's may introduce new promotions or adjust existing ones over time.
